

## Sierra Harvest Volunteer Opportunity 2019

### Food Love Farm Plant Sale Prep

**Position Overview and Impact:** The Food Love Farm hosts 3 organic plant sales each spring to support our educational farm programming throughout the year. To prepare for these events, our farmers are looking for 2 (or more) enthusiastic volunteers to help us label all the plants in our greenhouse! We'll turn up some dance tunes and spend the morning slappin' stickers on pots!

**Time Commitment:** 4 to 6 hours, one day during the week of April 29, 2019

**Time:** Flexible, but morning start preferred

**Qualifications and Skills Required:** No special skills required. We will be sitting or standing in place for most of the tasks.

**Additional Information:** Bring water, snack, hat, and sunscreen. We'll set up our work station in the shade, but bring protection just in case!

**Benefits of Volunteering:** Opportunity to learn more about how to produce your own organic garden, meet new friends and help support our educational farm reaching more than 1,700 students annually.

**How to apply:** Email Emily to sign up for any of these dates.
