

## Sierra Harvest Volunteer Opportunity 2019

### Professional Quality Photographer – Farm Photos

**Position Overview and Impact:** Seeking someone to take professional quality photos of farm landscapes, produce, farmers and Sierra Harvest Farm Institute students attending on-farm classes. We'd like to capture the magic of training the next generation of local farmers.

**Location/time/date: Looking to take photos at 1-2 of these dates**

- July 16<sup>th</sup>, 4-6pm @ Stone's Throw Farm in Colfax
- July 23<sup>rd</sup>, 4-6pm @ Chapman Family Farm in Nevada City
- July 30<sup>th</sup>, 4-6pm @ Starbright Acres Family Farm in Grass Valley
- Aug 27<sup>th</sup>, 4-6 pm @ First Rain Farm in Nevada City

We're also looking for a more intimate photo shoot of our mentor farmers and their Farm Crew members. Photoshoots will likely be on a weekday morning and dependent on the farmer's availability. The mentor farms we hope to photograph are: Stone's Throw Farm (Colfax), Starbright Acres Family Farm (Grass Valley), Dinner Bell Farm (Chicago Park.) This will be more of a journalistic photo shoot, shadowing the farm workers as they go about their farming tasks. Landscape and detail farm shots always welcome!

**Qualifications and Skills Required:** Being a professional photographer is not required. However, excellent photo equipment will be necessary and an excellent and creative eye.

**Benefits of Volunteering:** Visit gorgeous farms around Nevada County, meet the hardworking farmers bringing fresh food to our community and celebrate and honor the effort of the next generation of farmers learning to be successful. And you'll feel good knowing you are helping with marketing for our next round of farmers!

**Staff Contact:** Kalita Todd at [kalita@sierraharvest.org](mailto:kalita@sierraharvest.org) if you are interested in photographing any of these important moments!
